Ref: TUVALU “The rural electrification rooftop solar back up system in Niutao”: approval of the Full Project Proposal and first installment

Excellency,

Acknowledging the letter received on December 2nd 2025 (our ref. 0227723 of 2.12.2025) with the attached Full Project proposal entitled “*The rural electrification rooftop solar back up system in Niutao*” submitted by the Ministry of Home Affairs, Climate Change, Culture, Environment & Waste Management of the Government of Tuvalu in accordance with the decision made at 18th Joint Committee Meeting (New York, 24 October 2025).

Considering that the Full Project Proposal with a total budget of 1.500.000USD has been approved by the Italian Ministry of Environment and Energy Security as it has reached its main objectives and met the requirements of the Partnership.

We are pleased to inform You that the request of the first tranche of 450.000USD (30%) is therefore approved. We look forward to receiving the midterm report once a third of the project activities are completed. We will proceed with the disbursement of the other installments as follows: 900.000 USD (60%) upon approval of the first midterm report; 75.000 USD (5%) upon approval of the second midterm Report and the remaining 5% corresponding to 75.000 USD once the Final report is received.

Sincerely,

Alessandro Guerri
